Michael Stone Appointed Director of Partners in Care, VNS' Personal Care Affiliate

Trumbull, September 25, 2018: **Partner in Care**, the personal homecare affiliate of Visiting Nurse Services of Connecticut (VNS) has announced the appointment of **Michael Stone** as Director. In making the announcement, Ann M. Olson, President and CEO of VNS, welcomed Mr. Stone stating that his demonstrable record of accomplishment in personal homecare private duty operations and client service will provide strategic and operational leadership for Partners In Care.

Mr. Stone joins Partners In Care with extensive experience in homecare and private duty services. A military veteran, he was responsible for agency operations and customer service for Connecticut based personal care agencies. Ms. Olson stated that “personal care services are built on a foundation of trust and reliability and Michael’s commitment to quality care and customer service will reinforce Partners’ position as a leading not-for-profit-provider as we continue to meet and coordinate the care needs of individuals and families in the communities we serve.”

A resident of Trumbull, Stone will manage admissions and personal care services for Partners In Care clients and VNS patients across the fifty-four Fairfield, New Haven and Litchfield county communities the agency serves from offices in Trumbull, CT and can be contacted at 203-378-8444 by email at mstone@vnsct.org.

About Partners in Care

Partners In Care, an affiliate of Visiting Nurse Services of Connecticut, a leading not-for-profit certified home healthcare and hospice provider, offers specialized services including personal care, homemaking, support services and caregiver respite services enabling individuals to remain independent and safe in their own home. Partners In Care consistently provides the highest standards of coordinated care for residents of Fairfield, New Haven and Litchfield counties and patients of VNS. Partners In Care is registered by the Connecticut Department of Consumer Protection. For additional information, visit http://vnsct.org/partners_in_care.aspx or call 800-524-6475.
