Visiting Nurse Services of Connecticut, Hartford HealthCare at Home affiliate

Visiting Nurse Services of Connecticut (VNS of CT) and Partners in Care have reached an affiliation agreement with Hartford HealthCare at Home. Together they will be able to provide a comprehensive and coordinated home health care network, including in the Litchfield County region.

The agreement, which was approved by the VNS of CT Board and effective April 4, will help support and enhance VNS of CT's ability to provide exceptional patient care. The two organizations will be able to share best practices for patient care, resources and technology. For patients and referral partners, the VNS nurses, care team, staff, phone numbers and everything else will remain the same.

Hartford HealthCare at Home is part of Hartford HealthCare, a fully integrated health system that in addition to home health care and hospice includes six acute care hospitals; a wide range of outpatient services with approximately 270 locations; an extensive behavioral health network, a large multispecialty and primary care physician group; an array of senior care services; a large physical therapy and rehabilitation network; several surgery centers; LIFE STAR helicopter; and an accountable care organization.
